

# ZHWB SERIES

## 12"-18" ADJUSTABLE WALL MOUNT BRACKET

The MAINFRAME Adjustable Series provides high-capacity stability with ultimate installation flexibility. Engineered to bridge the gap between fixed-depth brackets and bulky cabinets, this series features a telescoping frame that adjusts from 12" to 18" to provide a custom fit for your specific hardware. The integrated hinged design ensures that rear-panel maintenance and cabling are always within reach, making it the ideal solution for high-efficiency networking installations.

Hinged side design lets equipment swing open for fast servicing.

Extends (adjustable) depth from 12" to 18" (30cm to 45cm) to fit various rackmount devices.

Works seamlessly with industry-standard rack equipment.

## FEATURES

### Zero-Hassle Maintenance

The heavy-duty hinged side design allows equipment to swing open effortlessly. Access the rear of your devices for wiring or servicing without the frustration of unmounting hardware.

### Fully Adaptable Depth

One bracket, infinite possibilities. The telescoping frame extends from 12" to 18" (30cm to 45cm), allowing you to customize the fit for everything from shallow patch panels to deep network switches.

### Industrial-Grade Strength

Engineered from SPCC cold-rolled steel, this series is built to endure. With a 99 lb (45 kg) static load capacity, it provides a rock-solid foundation for your most critical mission-critical gear.

### Universal 19" Compatibility

Designed to meet industry standards, this series integrates seamlessly with all standard 19" rackmount equipment, ensuring a perfect fit for your existing ecosystem.

### Rapid Deployment

Get up and running faster. Units ship preassembled, significantly reducing on-site installation time and labor costs so you can focus on the configuration, not the hardware.

### Includes a 3-year limited warranty from MAINFRAME

## SPECIFICATIONS

| SKU      | SIZE | DIMENSIONS<br>W × D × H                              | LOAD<br>CAPACITY  |
|----------|------|--|-------------------|
| ZHWB-4U  | 4U   | 491 × 305-457 × 178 mm<br>(19.33 × 12-18 × 7 in)     | 45 kg<br>(99 lbs) |
| ZHWB-6U  | 6U   | 491 × 305-457 × 267 mm<br>(19.33 × 12-18 × 10.51 in) | 45 kg<br>(99 lbs) |
