

OFAR SERIES

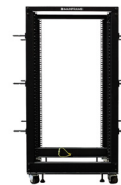

ADJUSTABLE DEPTH OPEN FRAME DATA RACKS

Designed for space-conscious and budget-sensitive networking, telecommunications, and IT applications, the Mainframe OFAR Series features an adjustable mounting depth of 22" to 40" to accommodate a wide range of equipment. Its 4-post open-frame design maximizes floor-space efficiency, provides unrestricted access to equipment and cabling, and helps reduce shipping and overall project costs. A simplified hardware design also allows a single installer to assemble the rack in approximately 15 minutes.

Adjustable Mounting Depth

Adjustable from 22" to 40" to accommodate a wide range of rackmount equipment.

Unrestricted Equipment Access

The open-frame design provides convenient access for installation, cabling, and maintenance.

Rapid Deployment

Assembles in approximately 15 minutes and includes casters and levelling feet for flexible placement.

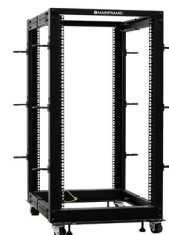

FEATURES

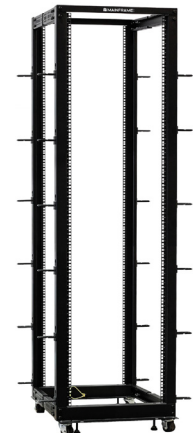

- **Adjustable Mounting Depth**
An adjustable mounting depth of 22" to 40" accommodates a wide range of rackmount equipment and changing installation requirements.
- **Unrestricted Equipment Access**
The 4-post open-frame design provides unrestricted access for equipment installation, cable management, and maintenance.
- **Cost-Effective Design**
The efficient open-frame construction helps reduce shipping costs and overall project expenses.
- **Space-Efficient Footprint**
An optimized footprint maximizes available floor space in equipment rooms, data centres, and network closets.
- **Rapid and Simplified Assembly**
Uniform assembly hardware allows a single installer to assemble the rack in approximately 15 minutes, helping reduce deployment time.
- **Installation-Ready Accessories**
Includes casters, levelling feet, cable management hooks, mounting hardware, and a grounding kit for convenient deployment.
- **Heavy-Duty Load Capacity**
Supports a static load of up to 600 kg (1,323 lbs) and a rolling load of up to 300 kg (661 lbs).
- **Industry-Standard Compliance**
Complies with ANSI/EIA-ECA-310-E, IEC 297-2, DIN 41491 Part 1, DIN 41494 Part 7, and ETSI standards.
- **Includes a 3-year limited warranty from MAINFRAME**

SPECIFICATIONS

SKU	SIZE	DIMENSIONS W × D × H	LOAD CAPACITY
OFAR-22U	22U	600 × 591.8-1049 × 1155 mm (23.62 × 23.30-41.30 × 45.47 in)	Static: 600 kg (1323 lbs) Rolling: 300 kg (661 lbs)
OFAR-42U	42U	600 × 591.8-1049 × 2044 mm (23.62 × 23.30-41.30 × 80.47 in)
