

MAINFRAME REVERSIBLE HINGED WALL-MOUNT CABINET SERIES

R-CAB SERIES

MAINFRAME's Reversible Hinged Wall-Mount Series deliver flexibility, visibility, and security in one solid frame. Designed for dynamic installations where space and accessibility are key, the R-CAB's reversible design lets the cabinet swing left or right. Its welded, factory-assembled construction ensures a clean, professional fit.

INTRODUCING FEATURES

Double Section Swing-Out

Swinging rear door allows for easy access to equipment and cabling.

Removable Side Panels

Providing direct access to your gear and wiring.

Reversible Mounting

Hinges can be set left or right for flexible installation.

Sturdy Welded Construction

Ships fully assembled, saving time and effort.

Surface Finish:

- Material: SPCC (quality cold rolled steel)
- Color: Black

Wide-Angle Door Access

Front Door opens over 180°;
Rear Door opens over 90°.

Reversible Tempered Glass Door

Right-hinged, left handle by default;
field-reversible for flexible installation.

Usable Depth:

- Minimum: 435mm / 17.13"
- Maximum: 570mm / 22.44"
- Factory Default: 505mm / 19.88"

Includes:

- 10-32 Rack Screws and Cage Nuts (12 sets for 9U, 24 sets for 12U/15U)
- Concrete Anchors (4 pieces for 9U, 6 pieces for 12U/15U)

Dual fans and cable panels on both top and bottom enhance airflow and cable management.

A unique 90° rotating rear door allows access to the cabinet's rear for chasing wires and managing runs.

Reversible design supports flexible left or right swing, ideal for any workspace orientation.
